From Chairman's Desk

Dear Professional Colleagues,
Greetings of the day!

Wishing all our members and students a Happy Independence Day! 2021 marks India's 75th year of Independence, and our journey of development and progress over the last 74 years has been marked with significant milestones and reforms that have enabled for us to grow into an economic force to be reckoned with within the international community. The Constitution of India ascribes upon all its citizens the fundamental duty of striving towards excellence in all spheres of individual and collective activity, thereby ensuring that our nation constantly rises to higher levels of endeavour and achievement. Chartered Accountants such as ourselves as partners in nation building must espouse this duty and strive towards excellence in every service we provide.

Thank you, stay safe and stay healthy.
